

## 2009 ACIS Flag Football National Championships

### RULES SUMMARY

Note: The following is a summary of the rules used to govern the tournaments and is NOT a complete listing. Play is governed by current NIRSA Flag and Touch Football Rules. These rules are intended as a service and are **NOT OFFICIAL**.

#### RULE 1. THE GAME, FIELD, PLAYERS, AND EQUIPMENT

##### A. THE FIELD

1. The field shall be rectangle 100 yards by 40 yards, including two 10 yard end zones. The width of the fields shall be lined at 20 yard intervals from goal line to goal line. The 3 and 10 yard try lines shall be 1 yard wide.

##### B. THE PLAYERS

1. 7 players constitute a men's/women's team. 5 players are required to start a game and avoid a forfeit.

##### C. EQUIPMENT

1. Each player must wear a one piece quick release flag belt (provided) at the waistline with three flags permanently attached, one flag on each side and one in the center of the back. The flag belt must be free of any knots.
2. Shoes must be soft-soled soccer/football type cleats or cross-country, tennis, or astroturf shoes. **NO HARD PLASTIC, LEATHER, OR METAL IS ALLOWED IN THE CONSTRUCTION OF CLEATS OR SHOES. WET TURF SOCCER SHOES (SCREW-IN CLEATS) ARE NOT ALLOWED.** Molded one-piece screw-ins with a cleat length of ½" or less are permitted.
3. **The use of headgear, jewelry, shoulder pads, body pads, or any unyielding or dangerous equipment is prohibited. Players may wear a knit or stocking cap and use soft, pliable gloves if they desire. No baseball style caps allowed.**
4. Tape or bandage on the hand, wrist, forearm, or any other part of the body is prohibited except to protect an injury. Under no circumstances will a player wearing a cast or splint be allowed to play. Braces with exposed metal parts must be covered.

5. All players must wear jerseys, (shirts), long enough so that they remain tucked in during each down, or cut at least 4" above the flag belt. Each team must wear the same color jersey or shirt. If not, jerseys will be provided. The jersey must be tucked in to allow for grabbing the flag. Penalty - 5 yards.
6. **Belt loops, pockets, exposed drawstrings, or untucked hoods on sweat tops are illegal. Players wearing such illegal equipment will not be allowed to participate until illegal equipment is removed.**
7. Any decision on the legality of any equipment on or being used by a player will be made by the officials on the field, and his/her decision will be final.

## **RULE 2. TIMING**

### A. PLAYING TIME AND INTERMISSIONS

1. The game will consist of four 12 minute quarters. The clock will run continuously during the first and third quarters except when a timeout is called, or at the Referee's discretion. During the **last two minutes of the second quarter, and the last two minutes of the fourth quarter** the clock will stop for an incomplete pass, when a player goes out of bounds, on penalties, on a change of possession, on any score, and on first downs.
2. Half-time will be 5 minutes.
3. In case of a game ending in a tie, the two captains will determine the options by a coin flip. The home captain will call the toss. The winner of the toss shall be given options of offense, defense, or direction. The loser of the toss shall make a choice of the remaining option. Teams will alternate choices if additional overtime periods are played. **ALL OVERTIME PERIODS ARE PLAYED TOWARD THE SAME GOAL LINE.** Each team will be given a series of 4 downs to score. Trys will be attempted and scored as previously stated. If the defense intercepts the ball and returns it for a touchdown, they will win the game. If it is not returned for a score, the ball will be placed at the 10 yard line. Each team is entitled to one time-out only for the entire overtime. The game will continue to be played until a winner is determined.
4. **Mercy Rule:** If a Men/Women's team is **19 (Co-Rec-25 points)** or more points ahead when the Referee announces the 2 minute warning for the second half or anytime thereafter, the game shall be over.
5. Each team is entitled to 3 time-outs per half. These time-outs shall be 1 minute in length. First half time-outs do not carry over to the second half of the game.
6. The Referee may start or stop the game clock whenever, in his/her judgment, either team is trying to conserve or consume playing time by using illegal or unfair tactics.

### **RULE 3. PRE-GAME AND KICKING**

#### A. The Toss and Options

**Procedure** Three minutes prior to the start of the game, the Referee shall toss a coin, and the visiting team captain shall call the toss. The captain winning the toss shall have choice of options for the first half or shall defer their option to the second half. The options for each half shall be:

- A. To take ball on the 14 yard line
- B. To choose the goal his/her team will defend. The captain not having the first choice of options for a half shall exercise the remaining option.

#### B. Kicking the Ball

1. There will be no kickoffs to begin each half. Each half will start with the ball on the 14 yard line.
2. Players shall ignore any signals (fair catch) given by the kickers or receivers. The ball remains live. There is no foul.
3. Anytime at or after the ball is ready for play (determined by the Referee blowing the ready for play whistle), each Team K player must momentarily be within 15 yards of the ball before the snap.
4. Prior to a punt the offensive team must make the Referee aware of its intentions. After such announcement, the ball must be kicked. Exception: If a) a Team A or B time-out is called, or b) a foul occurs anytime prior to or during this down after Team A captain's decision which results in the kicking team having the right to repeat the down again, the Referee must ask the Team A captain whether or not he/she wants to punt and communicate this decision to the Team B captain.
5. Neither K nor R may advance beyond their respective scrimmage line until the ball is kicked. Note: All scrimmage line rules regarding the snap, stance, false start, minimum line players, motion and shift apply to a punt.
6. **Kicking the Ball:** After receiving the snap, the kicker must kick the ball immediately and in a continuous motion. If a kicker drops the ball, it is considered a fumble, and the ball becomes dead at the spot.

### **RULE 4. SNAPPING AND PASSING THE BALL**

#### A. SNAPPING THE BALL

1. The player who receives the snap from the center must be at least 2 yards behind his/her scrimmage line. The snapper shall pass the ball back from its position on the ground with a quick and continuous motion of the hand(s).
2. The offensive team must have a minimum of 4 players on their line of scrimmage at the time of the snap. A player in motion is not counted as one of the 4 or 5 on the scrimmage line.

3. If the ball is fumbled, it is immediately dead, at the spot, upon hitting the ground. No advancement can be made by either team. A fumble going out of bounds without hitting the ground remains in possession of the fumbling team at the spot where the ball was fumbled or wherever the ball went out of bounds.

## B. PASSING THE BALL

1. All players are eligible to touch a forward pass after it is thrown. The passer may catch his/her own forward pass provided it has been touched by another player first.
2. If a legal forward pass is caught simultaneous by members of opposing teams, the ball is immediately dead upon returning to the ground and belongs to the offense.
3. A forward pass is a live ball thrown towards the opponent's goal line. A backward pass is a live ball thrown parallel or backwards. The initial direction of the pass will determine whether or not the ball is backwards or forwards.
4. It is illegal to attempt to steal the ball while in player possession. Once a player has obtained possession of the ball, his/her opponent must play the flag, not the ball
5. Defensive players must not contact the passer at anytime during or after the play. They may only go for the flag. Rushers may try to deflect the ball, but they may not contact the passer even if the ball is deflected. If the defender contacts the passer, it is considered roughing the passer.
6. Only one foot must touch inbounds in order for a pass reception to be considered legal.

**\*\*\* Note: Accepted penalties that carry a loss of down will no longer extend the half\*\*\***

## **RULE 5. SCREENING, RUSHING, AND CONTACT**

### A. SCREENING AND RUSHING

1. Screen blocking is legally obstructing an opponent without using any part of the body to initiate contact with him/her.
2. The offensive screen block shall take place without contact. The screen blocker shall have his/her hands and arms at his/her side or behind his/her back. Any use of the hands, arms, elbows, legs, or body to initiate contact during an offensive player's screen block is illegal. A blocker may use his/her hands or arms to break a fall or to retain his/her balance.
3. Defensive players must go around the offensive player's screen block. The arms and hands may not be used as a wedge to contact the opponent. The application of this Rule depends entirely on the judgment of the official. A rusher may use his/her hands or arms to break a fall or retain his/her balance.
4. These actions are judged similarly to the block/charge call in basketball.

5. Team Players are responsible for retrieving the ball after a down has ended. Officials are not responsible for retrieving the ball. The offensive team may take the ball to the huddle after each play.

## **RULE 6. SCORING**

## **RULE 7. PROTESTS AND FORFEITS**

- A. **Rule Interpretations:** Protests involving rule interpretations will be considered on the field immediately following the incident in question. The game is suspended and the supervisor will be called to the game site. Play should not continue until the supervisor renders a final decision. NOTE: If a team continues to play without calling the supervisor to the game site, then that team forfeits its right to a protest.
- B. **A team wishing to protest will be charged with a timeout. If the protest is ruled invalid the team will lose its timeout. If the protest is valid the timeout will be charged to the officials. If a team has no timeouts remaining and wishes to protest they may do so, however, they will be charged with a 5 yard delay of game penalty if the protest is invalid.**
- C. **Player Eligibility:** Protests concerning player eligibility must be made to the site supervisor before the game. The protest will be ruled on by the Tournament Director.
- D. **Judgment Calls:** Questions about an official's judgment are not valid grounds for a protest. These protests will be heard, however, judgment calls will not be overturned.
